

## Be Thou My Vision

D                    G            D  
Be thou my vision, oh Lord of my heart  
A                                    G                    A  
Naught be all else to me, save that thou art  
G                    D            Bm            G  
Thou my best thought, by day or by night  
D                    G                    A                    D Dsus D Dsus  
Waking or sleeping, thy presence my light

D                    G            D  
Be thou my wisdom and thou my true word  
A                                    G                    A  
I ever with thee and thou with me, Lord  
G                    D            Bm            G  
Thou my great Father, and I thy true son  
D                    G                    A                    D Dsus D Dsus  
Thou in me dwelling, and I with thee one

D                    G            D  
Riches I need not, nor man's empty praise  
A                                    G                    A  
Thou mine inheritance, now and always  
G                    D            Bm            G  
Thou and thou only, first in my heart  
D                    G                    A                    D Dsus D Dsus  
High King of heaven, my treasure Thou art
